Alpha-Beta Peel \$88 More glowing skin!

Both AHA and BHA work to treat a variety of skin conditions such as blackheads, acne, scarring, age spots, fine lines, wrinkles, and pigmentation. AHA peel is effective in improving skin texture. BHA is a good peeling agent for acne prone skin. A course of six to eight treatments may be recommended.

Treatment feature of the month

LED Light Therapy with Vacuum Massage for Lymph Drainage

This treatment begins with the application of natural essential serum on the body to help detoxification. The vacuum massage can break down cellulite and helps with carrying out unwanted lymphatic liquid from the body.

RED: stimulates the blood flow and the collagen production

BLUE: kills the acne bacteria

GREEN: treats dilated capillaries, sagging skin and hyperpigmentation

PURPLE: enhances the drainage function and increases cell regeneration

CYAN: reduces the size of swollen capillaries and inflammation

YELLOW: stimulates the production of red blood cells in the skin

WHITE: regulates mood, well-being, energy, and sleep

Enjoy a LED Light Therapy for just \$100!
